Honoring Veterans as 2026 Corn Festival Grand Marshals

The Morganfield Lions Club is deeply proud to name our local US Military Veterans as the Grand Marshal for the 2026 Corn Festival. Having served our country with honor and distinction, these remarkable individuals continue to safeguard the spirit of community right here at home.

Though their military service concluded years ago, their commitment to duty, selflessness, and camaraderie never faded. Long after laying down their uniforms, our veterans remain the steady backbone of Union County—consistently showing up for their neighbors, families, and fellow service members.

A Lifeline of Service to Union County

Operating through American Legion Post 48 and VFW Post 5488, our local veterans quietly and tirelessly power a vast network of community support. Their ongoing civic contributions span every facet of local life, touching the vulnerable, uplifting youth, and honoring history.

- **Supporting Fellow Veterans & Families:** From filling and delivering monthly food boxes to over 100 veterans and arranging critical medical transportation, to building handicapped ramps, clearing snow, and helping navigate VA benefits, they ensure no comrade is ever left behind.
- **Caring for the Vulnerable:** They routinely step in to assist elderly residents, disabled neighbors, and families facing sudden crises—providing emergency motel accommodations, hot bereavement meals, winter heaters, and essential financial relief.
- **Investing in Our Youth & Education:** They champion local children by funding scholarships, supporting the Happy Feet shoe program, backing school food drives, and inspiring students through patriotic contests, Flag Retirement ceremonies, and classroom history presentations.
- **Enriching Community Life:** Whether presenting the colors at local ceremonies, organizing solemn Memorial Day and Veterans Day tributes, donating to the fire department and local youth sports, or volunteering at the polls, their presence enriches the entire county.

A Well-Deserved Tribute

From planting flags in local cemeteries to honoring fallen heroes with military rites, our veterans teach us what true community stewardship looks like. As they lead this year's Corn Festival parade as Grand Marshals, we invite all of Morganfield and Union County to stand, applaud, and express our deepest gratitude to the men and women who keep our community strong, safe, and deeply cared for.
